Former Jackson County Citizen Dies of Flu.

After an illness of about ten days William Wiley Montgomery one of the leading citizens and business men of Nashville, died early Sunday morning at his home, No. 1210 Elmwood avenue. Bronchial pneumonia, following influenza was the cause of his death.

Mr. Montgomery was born in Granville, Tenn. August 8, 1882, and was a son of the late Robert J. Montgomery. He came to Nashville in early manhood, and during his residence in the city he was always prominent and active in all matters looking to the moral and material betterment of the city. Of a retiring nature he never sought a conspicuous position in any of his labors, and avoided ostentation in all matters.

He was one of the organizers of the firm of Montgomery Moore & Co., and on retiring from this business formed Montgomery & Co. one of the city's leading business enterprises. He enjoyed a wide acquaintance in the commercial world of Nashville and its surrounding territory and had the esteem of all.

Mr. Montgomery married Miss Elizabeth Hickman in 1905, and three children survive, with Mrs. Montgomery, Willa Betha, William Wiley and James Warren Montgomery.

Bascomb W. Montgomery, a brother, and Mrs. Amanda Warren Montgomery, his mother, also survive him. At present Bascomb W. Montgomery is very sick with influenza.

Mr. Montgomery was a Knight Templar and Shriner and a member of Belmont Avenue Church of Christ. The funeral was held Tuesday morning at 10 o'clock at the residence, Rev. T. R. Larmore conducting the services. Nashville Tennessean.

Ben Riley Dies At Camp McClellan.

Ben Riley, of this county, died at Camp McClellan, Ala., Thursday, Oct. 17, of pneumonia following influenza. The remains arrived Sunday evening. Funeral service was held Monday, with interment in the Stafford cemetery. He was 23 years old, and the son of the late Henry Riley. He has been in service since June 26, 1918. He is survived by 3 sisters, the youngest being the beneficiary of the \$5000 Government life insurance policy carried by the deceased.

Government Request Teachers To Meet Nov. 2.

All the chairmen of the Earn and Give division, and all the teachers in the county are earnestly requested to meet in Gainesboro at 12:30 P. M. Saturday, Nov. 2. The object of this meeting is four-fold: duties and object of Earn and Give, Y. W. C. A., Child Welfare and Parent Teacher's Association. Prominent speakers will be present and speak on the different subjects. Every one should help make the meeting an interesting one.

Respectfully,

W. L. Dixon, Co. Supt.

AN APPEAL TO TEACHERS.

The United War Work in November is to raise a fund for the Young Women's Christian Association and other Allied War Work Charities. Tennessee is expected to raise its quota, Jackson County hers. As the teacher is the Community Leader and can go "Over the top" with the slightest effort, with children and parents as team workers, I ask your co-operation in raising our portion of the fund.

In the High School at Gainesboro I am going to put on a contest, choose two captains as for old time spelling match. Each side will make the effort never known before to win out.

At the Y. W. C. A. meeting in Nashville two weeks ago there were various questions asked by County Chairmen as to how the school children would raise the amount. It was suggested that Saturdays and afternoons could be spent in doing little tasks for parents and neighbors. The girls iron the mothers and neighbors clothes; darn, sew, milk, churn, dig potatoes. Boys work in gardens, gather corn, cut wood etc. Impress on the children they must earn the money they contribute. The children's enthusiasm and patriotism will arouse the parents to such an extent that they will come across with their donation.

Be sure to attend the call meeting of the teachers on Nov. 2nd. A war work speaker will address the teachers on this Y. W. C. A. allied drive and you will receive literature, also plans on this work. Each district will have a District Chairman.

Mrs. Luke B. Anderson, Chm. 1st United War Work Campaign.

VICTIMS OF INFLUENZA.

RED CROSS ISSUES NOTICE RELATIVE TO SENDING CHRISTMAS PACKAGES TO SOLDIERS OVERSEAS.

The Government has made arrangements whereby every soldier in the A. E. F. may receive a Christmas package, under certain conditions which we give in brief as follows:

Every soldier has been furnished with a label which he will send to the person from whom he expects a package. This label when received by the party to whom it is sent must be carefully preserved as no package can be mailed until this label is attached to the outside.

The Red Cross has been designated to assist in preparing these packages and the local Chapter will have charge of the work in this county. The Granville Branch will have charge of the work in that section and a sub station will be established in each district where it is possible to do so.

When a party receives one of the labels from a soldier he will take it to the nearest station and receive a box in which to pack his presents. The Red Cross has ordered the boxes and will distribute them to the different points in the county as soon as they arrive. The location of the sub stations and names of District Chairmen will be published next week.

There should be the fullest co-operation on the part of the people in assisting the Red Cross in getting a Chairman and place in each district to handle these Christmas boxes.

No parcel can be accepted after November 15, for mailing.

No parcel will be accepted which contains any perishable articles, such as cooked vegetables, meats, pies, cakes, preserves or jelly (except in tin) and weighing over three pounds. Or containing anything ordinarily unavailable, such as whiskey, explosives, poison, inflammable material, etc.

Watch carefully for these Christmas labels to be sent by the soldiers as should it get lost no duplicate can be obtained and the soldier would not get any package.

Gasless Sundays Served Their Purpose.

We have been notified by the State Fuel Administrator, W. E. Myer, that gasless Sundays have been suspended. He states that this movement has proven a great success. The loyal response of the public saved one million barrels of gasoline for our boys in France.

H. L. McDearman,
County Fuel Administrator.

George Henry Lynch, who volunteered in the U. S. Marines last June, came in Thursday for a week's visit with his parents, Mr. and Mrs. H. J. Lynch. Mr. Lynch was first stationed at Paris Island, S. C. After winning a medal as expert rifleman he was transferred to Quantico, Virginia where he entered a machine gun school. Mr. Lynch thinks he will get to cross over in about 2 weeks after his return. George appears to be physically able to handle most anything in the way of machine guns and other Hun destroyers. He has just recovered from a severe attack of Flu.

"Spokes"— and the Swift "Wheel"

What would you consumers think of a wheel without spokes?

What would you think of a man who would take any or all of the spokes out of a wheel to make it run better?

Swift & Company's business of getting fresh meat to you is a wheel, of which the packing plant is only the hub. Retail dealers are the rim—and Swift & Company Branch Houses are the spokes.

The hub wouldn't do the wheel much good and you wouldn't have much use for hub or rim if it weren't for the spokes that fit them all together to make a wheel of it.

Swift & Company Branch Houses are placed, after thorough investigation, in centers where they can be successfully operated and do the most good for the most people at the least possible cost.

Each "spoke" is in charge of a man who knows that he is there to keep you supplied at all times with meat, sweet and fresh; and who knows that if he doesn't do it, his competitor will.

How much good would the hub and the rim of the Swift "wheel" do you if the spokes were done away with?

MRS. BRENTS DONE GREAT GOOD BY VIN HEPATICA PRESCRIPTION.

Well Known Louisville Woman Says Vin Hepatica Prescription Brought Her Back to Health After Other Medicine Had Failed.

Mrs. Mary Brents, 929 Burnett Ave., Louisville, Ky., who had been a chronic sufferer for about five years and in bed almost a year and a half, and under constant care of physicians says:

"I gladly recommend Vin Hepatica for the great good it has done me in restoring my health when everything else had failed. Had been in bed for almost a year and a half with doctors attending me constantly, but I received no relief whatever."

"I read in the papers about

Vin Hepatica and went and got a bottle. The very first dose seemed to help me."

Just such testimony as this comes in from every quarter. Vin Hepatica is truly a wonderful remedy. Come in, get a bottle and try it on our recommendation.—L. B. Anderson, Gainesboro, Tenn.

W. C. Heady and two daughters, of Spencer, were recent visitors in this county.
